Safe Sport

Swim Alberta provides a fun, healthy, inclusive and safe environment. Swimming enriches the lives of everyone involved by ensuring that the training and competitive environment is one where athletes, coaches, officials, volunteers and staff know they are safe and are treated with respect and dignity. Swim Alberta believes that all members have the right to participate in a safe and inclusive training and competitive environment that is free of abuse, harassment or discrimination. Swim Alberta further recommends that all interactions between an athlete and an individual who is in a position of trust should normally, and wherever possible, be in an environment or space that is both “open” and “observable” to others.

Misconduct Rules

Effective **September 1, 2026, Rule C.2.3.2.1 (Misconduct Provisions)** will be enforced. The rule, along with guidance on this rule for officials can be found below and in the [Swimming Canada rulebook](#).

2.3.2 The Starter shall report a swimmer to the Referee for delaying the start, for willfully disobeying an order or for any other misconduct taking place at the start, but only the Referee may disqualify a swimmer for such delay, willful disobedience or misconduct.

C2.3.2.1 For the purposes of Rule II 2.3.2, “misconduct” shall include, but is not limited to:

- Deliberate or negligent acts such as spitting, spouting of water, or blowing the nose in the pool or on the pool deck immediately prior to the start may be considered misconduct.
- Deliberate kicking or striking of the starting platform, including the back plate prior to the start.
- Unsafe or uncontrolled entry into the pool immediately prior to the start of a race. All swimmers must enter the pool with a controlled, feet-first entry.

This update supports public health and facility hygiene standards as well as reducing facility/equipment damage and associated costs. From now through August 31, 2026, officials will apply an education-first approach – using calm reminders and warnings and penalizing only clear, deliberate acts (not incidental spray, coughing, or normal block foot adjustments).

SWIM ALBERTA SCRATCH RULE

Heats & Finals Competitions including Swim Alberta Festivals, Provincial Trials, and Provincial Championships

Coaches are requested to submit any known scratches to the meet manager prior to the start of the meet. The meet information package should clearly state the deadline for receiving scratches by the meet manager after the entry deadline. Any scratches that are not received by the published deadline will need to be submitted to the Administration Desk according to the information detailed below:

Scratch Deadline and Penalties for Preliminaries:

- Scratches are to be submitted to the Administration Desk 30 minutes after the start of the previous night's finals, or before 3:00 pm the day prior to the start of the meet, in order that the preliminary session can be seeded.
- Late Scratches may be received by the Administration Desk 30 minutes prior to the start of each session. No re-seeding will occur, without the approval of the Referee.
- There will be no penalty for scratching from preliminary events. No-shows, step-downs, and unexcused incomplete swims will have no penalty assessed.

Scratch Deadline for Time Final Events (including relays):

- Scratches are to be submitted to the Administration Desk by the start of the previous night's finals, or before 3:00 pm the day prior to the start of the meet, in order that the session can be seeded.
- Late Scratches may be received by the Administration Desk 30 minutes prior to the start of each session in which a Time Final Event is scheduled. No re-seeding will occur, without the approval of the Referee.
- Scratches received after the late scratch deadline, no-shows, step-downs and unexcused incomplete swims will result in the swimmer(s) being scratched from all remaining finals, including relays, scheduled for that session.

Scratch Deadline and Penalties for Time Final Events utilizing Positive Check-in

- The deadline for Positive Check-in shall be clearly communicated in the meet package and communicated to coaches at the technical meeting.
- Failure to check-in by the deadline will be deemed a scratch and the swimmer will be removed from the event. There is no penalty for swimmers who fail to check-in.
- Once checked-in a swimmer is not entitled to scratch from the event. No-shows, step-downs and unexcused incomplete swims will result in the swimmer being scratched from all remaining events, including relays, scheduled for that day.

Scratch Deadline and Penalties for Finals:

- Scratches are to be submitted to the Administration Desk 30 minutes after conclusion of the preliminary session. The conclusion of the preliminary session will be the completion of the final preliminary race of the session. Time final events that run at the end of the session will not be considered part of the preliminary session.
- The Late Scratch Deadline shall be 30 minutes prior to the start of the finals session. However, there shall be no re-seeding to include scratches made after the initial scratch deadline.
- The Late Scratch Deadline only applies if the coach of the late scratch swimmer notifies the Referee and the coach of the alternate. The alternate is under no obligation to swim. Should the alternate decline to swim the coach of the late scratch swimmer must contact the coach of the 2nd alternate.
- Scratches received after the late scratch deadline, no-shows, step-downs and unexcused incomplete swims will result in the swimmer(s) being scratched from all remaining events, including relays, scheduled for that day.
- Although alternates are not required to swim, all swimmers not intending to swim finals should scratch by the scratch deadline. This will ensure that those swimmers, who would be intent on swimming in a final, would be provided the opportunity.

Deadlines for Relays

1. **Name Submissions:** The deadline for relay name submissions shall be clearly communicated in the meet information package, in the coaches meeting or in the technical bulletin.
2. **Name Changes:** Name changes will be permitted for extenuating circumstances at the discretion of the Meet Manager or the Meet Management Team (Meet Manager, Meet Referee and/or Swim Alberta) and may be accepted no later than 30 minutes prior to the first relay event based on session timeouts, regardless of which event (age or gender) the team is entered in.
